Post Graduate Department of History, Henry Baker College, hosted a methodology workshop titled “A Cup of Tea, An Image and Memory: On Developing History Dissertations” on 15th October 2022 at 10.00 a.m. at the college seminar hall. Dr. Jibin Mathew, Assistant Professor of History, delivered the welcome speech and introduced Dr. Sebastian Joseph, a noted film and environmental historian and General Secretary, Kerala History Congress. Dr. Nisha Joseph, Assistant Professor of History, delivered the presidential address. Dr. Sebastian Joseph then presented the workshop on how to write history dissertations. The event provided students with new perspectives and suggestions for choosing a research topic for their Postgraduate dissertations. He advised the students to bring in new topics and explore the unattended and unexplored areas. Students also had their questions answered about how to choose a new topic, how to curate research problems, where to find research materials, and so on. The session was on fire, with both the resource person and the students constantly engaging in doubts, questions, and answers.

The session was designed primarily for Postgraduate Students, who must complete their dissertations by the end of their term. The workshop drew 33 students from M A History classes. The meeting came to an end with the vote of thanks by Kannan. M.S, second year M A History student.

Outcome

Unquestionably, the students gained fresh insights and outlooks on how to convert a research subject into a well-knitted dissertation.
