### Objective

To raise awareness among students about the importance of caring for the elderly and neglected individuals in society.

YRC members visited Visrandhi Nilayam, an old age home near the college on 31/03/2023 during the lunch break. Dr. Beena Paul, Sri. Justin Jose and 20 students visited the old age home. Sri. Johnson, P.V., caretaker of the old age home talked to the students about their vision and mission. YRC members interacted with the inmates and sang songs for them. The team also contributed a “Foldable Walker” to the old age home as there are many persons who could not walk without support. They were very happy to receive the walker as it was an urgent need for them.

### Outcome

The visit was a new experience for students. Students could experience the agony and pain of the rejection and isolation of aged people. They also understood the need to take care of the aged people.
