| HENRY BAKER COLLEGE NSS UNIT , SANITATION MISSION & GREEN KERALA MISSION | |
| Date of Event | Number of Students participated |
| 05.05.2023 & 17.05.2023 | 26 |

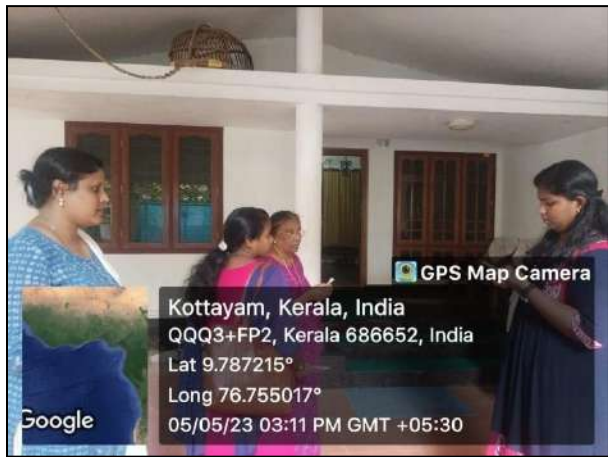

The NSS Volunteers of Henry Baker College assisted the local self-government, Sanitation Mission and Green Kerala Mission to introduce a QR code scanning system in all houses and institutions in Ward No.12 of Melukavu Gramapanchayat, to collect information regarding the waste management. The volunteers affixed the QR Code and entered the details of the households in Harithamitram Mobile application, which was introduced by the government to support the activities of Haritha Karma Sena. By using the mobile application, Haritha Karma Sena workers can scan the QR Code placed in front of the households/institutions and enter the details regarding garbage collected from each house. 26 students actively partook in the mission on 05.05.2023 and 17.05.2023.
