■ PRINCIPAL'S DESK

Dear colleagues, parents, students, alumni and well-wishers,

It gives me immense pleasure to pen a few words as prologue to our newsletter exclusively set as a chronicle of events happened in our college during the academic year 2017-18. When we take a stock of the campus activities of the forgoing year, it is gratifying to note that there were diverse value-added programs organized by the college in general and various sub-units and clubs in particular. I congratulate all the stakeholders for their invaluable support extended throughout the previous year in our race from better to the best.

Henry Baker College has been rendering yeoman service to the cause of Higher education for the past 37 years. A college established in 1981, named after CMS Missionary Rev. Henry Baker Jr, who is remembered as 'Apostle of the Hills', primarily to cater to the educational needs of the neglected sections of the society, has been instrumental in the social and cultural transformation of people in this part

of Kerala. We aim at holistic development of pupil to unleash their inherent potentials. Academic year 2017-18 was certainly a year of action and joy for all of us. Curricular, extracurricular and co-curricular activities in the campus were certainly enlightening and enriching.

We made a big progress in the student's support and campus infrastructure. Efforts are taken to make Green Campus and to implement green protocol. Besides, campus beautification, various amenities were provided to students for their welfare. More ICT facilities, campus wi-fi, renovation of college canteen, CCTV coverage in the campus, modernization of computer lab, construction of air conditioned meeting hall 'Parlour', Gym facility etc were some of the added facilities.

Our college was recognized as a Continuing Education Centre of the Centre for Continuing Education Kerala (CCEK). During the year, a Folklore Club was started under Kerala State Folklore Academy. Many best practices were

introduced by various departments and clubs for the wholesome development of student's fraternity. Workshops, seminars, brainstorming discussions, invited lectures, camps, inter-collegiate competitions, 'campus to community' programs, extension activities, dialogue with celebrities are some of the programs organized by us.

My dear students, success is never an accident. It is always the result of intelligent efforts. Walt Disney said "If you can dream it, you can do it". We aim at the all round development of students- intellectual, emotional, social and cultural. I remember with gratitude, the support and encouragement from all concerned in our march towards excellence.

This is only a small step towards a long journey. To achieve progress and to meet objectives we have to cross numerous milestones. This maiden issue of newsletter should inspire all of us for a new beginning enlightened with hope, confidence and faith in each other in the road ahead..... Happy Reading!

REV. HENRY BAKER JR.

In 1848, Rev. Henry Baker Jr. came to Melukavu as the first CMS missionary to this area. The people from Melukavu who met him at Kottayam said, "You must know, we know nothing right. Au Revoir -A Fond Farewell to Dr. Babu Joseph

Bon Voyage
as you set out for a new journey.....
Happy sailing on new seas of opportunities....

Autumn is the season when trees shed their leaves, to allow new ones to sprout in the spring. An autumn season ended this march in the Department of Commerce, when Dr. Babu Joseph retired, after a commendable service of 25 years in Henry Baker College.

What strikes first in our mind about him is his overt simplicity and humility. We remember Babu Sir as a soft spoken and gentle teacher who is quick in recognizing talent and ability in his students. As a teacher he is very sincere and conscientious and ready to deliver much dedicated service to the student community. Being a silent worker he never comes to the limelight refusing to accept credit even when it is due to him.

The services he has rendered to the institution are numerous and he will chiefly be remembered on account of them. He has co-authored six books in Commerce and Management. He also penned several articles in different National and local journals. An outstanding academician and a teacher par excellence Dr. Babu Joseph had a sterling career to feel proud of as he retires from the college.

Throughout his tenure, he was an outstanding tutor and committed to promoting excellence in the education sector. He has established his unique personality in this college. His disciplined and committed works makes him different. He had the ability to stay

composed, ie to remain calm in every situation. No doubt he is open minded, generous, modest, knowledgeable and highly respected teacher. The College has benefitted from his dedicated years of service. Thank you Sir, for everything you did for us. Thank You for your endless patience, motivation and persistence.

We wish you a smooth sailing ahead and a path full of joy. Our well wishes are always with you as you bow out of this institution spending meritorious years of service here. Happy Post Retirement Life...Hope you will enjoy directing your energies into your special interests other than teaching.

“May you always have walls for the winds.., a roof for the rain.., tea beside the fire.., laughter to cheer you.., those you love near you.., and all your heart might desire...”

May God bless you with everything that is nice in life and bestow energy and peace of mind to discharge further duties and capacities in the ensuing years.
